

Friends of the Osborne Collection Renewal Notice

September 2023

Dear Friends,

Our community of Friends stretches around the world and your ongoing support means a great deal. Thanks to you, the extraordinary library of children's literature that is the Osborne Collection can be supported with extra funds for acquisition, conservation, and digitization; through lectures and events; and more.

Missed some of our past events? You can access them at the Friends website here (click on LECTURES at the top of the webpage): www.osbornecollection.ca/.

We are making increased efforts to contact members through email in the periods between the fall and spring issues of *The Gryphon*. Even if you don't want or don't have email, we are doing everything we can to make sure our communication with you is up-to-date, via:

- our Friends website (www.osbornecollection.ca/)
- our Facebook page (www.facebook.com/profile.php?id=100064544175552)
- the TPL website (www.torontopubliclibrary.ca/osborne/)
- the Foundation webpage (tplfoundation.ca/osborne/)

However you connect with us, your annual membership/donation is critical in maintaining and enhancing the wonderful collection of children's books at the Osborne. Please renew today. Thank you for your ongoing support.
